## PRAGUE

*This magical city of bridges, cathedrals, gold-tipped towers and church domes, has been mirrored in the surface of the swan-filled Vltava River for more than ten centuries. Prague's medieval centre remains a wonderful mixture of cobbled lanes, walled courtyards, cathedrals and countless church spires all in the shadow of her majestic 9th century castle that looks eastward as the sun sets behind her. Prague is also a modern and vibrant city full of energy, music, cultural art, fine dining and special events catering to the independent traveller's thirst for adventure.*
